

Policy 1.1 Mission Statement

The mission of the Kalkaska County Library is to provide free and open access to information, ideas, and technology for the education and enrichment of our community.

Our mission is supported by the following vision statements, regarding service, organization, and the library facility:

The Kalkaska County Library will help you reach your potential at all stages of your life by providing relevant print and digital collections, programs, and services that support your learning and growth.

We will build community and social engagement by offering a safe and welcoming environment for you to explore new ideas, understand the challenges of the future, and help you to build a better one.

We will strive to be an essential part of our community. We will help make Kalkaska a better place to live.

The library strives to fulfill its mission and vision by directing efforts and resources in the following ways:

Library staff will set the standard for patron service. We will strive to fulfill the library's social, economic, and educational roles in our community. Our patrons will trust us to meet their literacy and recreational needs.

Board of Trustees will enthusiastically advocate for library services in the community. The board will be fully devoted to the mission, vision, and values of the library. The library collections will be progressive and diverse in breadth and form.
