

Policy 4.2 Borrowing Privileges

Residents of Kaskaska County (including partial-year residents) and of the counties with library membership in the Northland Library Cooperative are eligible to apply for a borrower's card. Outside of these areas, existing library card holders will be able to maintain their cards, but no cards will be issued to new patrons from those areas.

Minors under 18 years of age require a parent or legal guardian's authorization to obtain a borrower's card. Parents/legal guardians are responsible for a minor's library account.

We do not distinguish between a children's card and an adult card. Children are permitted to borrow any type of library material.

There is a \$1.00 fee to replace lost, damaged, or stolen Library cards.

Account Required

An established account is required in order to borrow materials from the library. You may use any valid state-issued identification card and proof of current address to establish your account.

Suspension of Borrowing Privileges

Borrowing privileges will be suspended for accounts with more than ten overdue items or with owed fee balances of \$6.00.

Approved: FEB 25 2020

Cash Cook, Board Secretary
