6. Treasurer's report / approval of expenditures:

Our major donor to the New Library has made a second gift of \$100,000 toward our project. As before, the funds are to be kept separate, and are not to be spent until the final agreement is signed, and only on actual construction costs. As first major donor, they have reserved naming rights for the library building when it is finished.

We have been working with the County Treasurer to locate some better interest rates on CD's. MSU Federal of Traverse City rates seem to be nearly double those found here locally in Kalkaska. As long as we can view the accounts online and create printed reports, this seems to be a good strategy. A motion was suggested to cover instructions to the County Treasurer.

As previously reported, the Library also has a maturing 271 CD at 4Front credit union on June 29th. A motion was presented to cover how to reinvest those funds.

The Library's total fund balance stands at \$846,565.99 as of May 31, about \$10,600 less than the previous month. We earned about \$645 interest for the month. Penal fines were \$4,532 for May. Their total of \$20,450 YTD is about \$9000 less than targeted.

Revenue items in the red include PILT, Commercial Forest Tax, Interest, and both School Revenues and School Reimbursements. But overall, we are ahead of revenue target for the year.

Expenditures show quite a number of items which have been spent faster than anticipated, including Office Supplies, Books, E-collection, Periodicals, B/G Maintenance and Technology. School Program Purchases, although in the red, are reimbursable by the school. Even if we must amend our budget, we will receive the extra amount as reimbursement.

MOTION by COOK to accept treasurer's report as presented

MOTION by COOK to approve expenditures for June 2022 in the amount of \$15,341.87 as presented

MOTION CARRIED by roll call (all ayes, PERESS abstain, NEEDHAM absent)

MOTION by MORAN that the Library Director submit the \$100,000 donated gift check to the County Treasurer for deposit in a jumbo Certificate at MSUFCU for a 4 year term. Expected interest rate is at least 2.25%, API and penalty for early withdrawal is 180 days of dividends or less. If it is found that the current terms are different, please do not deposit, but report back to the Library Treasurer. The balance in this CD is to be carried in the Library's 472 account.

SECOND by COOK

MOTION CARRIED by roll call (all ayes, PERESS abstain, NEEDHAM absent)
