**6. Treasurer's report / approval of expenditures:**

As of 3/31, the Library Total Bank Balance was \$1,070,274.39, about \$40,000 more than at the end of February. This is largely due to a \$50,000 donation from a local supporter. Our Total Fund Balance was \$1,010,725, which is low in comparison. We are pretty confident of the bank balances shown in on-line sources for 4Front, MSUFCU and Michigan CLASS, but not so of the HNB cash pooled numbers and the Fund Balances

reported on the Standard Budget Report sheets, all of which are subject to timing errors and accounting calculations.

For instance, we know that our March penal fines of \$3353 bring us to YTD of \$11,617, but the SBR still shows \$0. We know also that we have earned \$6,788.14 interest so far this year in our 4Front, MSU and CLASS accounts, but the SBR only shows a total of \$3,064.78 The negative \$17,500 in penal fines should really be only negative \$5,883 if they had entered the known amount.

School Program Reimbursements look to be ahead of our purchases, but obviously is due to timing of bookkeeping entries.

We have spent ahead on several items like Office Supplies, Periodicals, E-Collection and Technology but are within budget; ones to watch though are State Unemployment tax, and Retirement which are not controllable by us, and Utilities (Gas) and B/G Maintenance, which may be somewhat more controllable.
