6. **Treasurer's report / approval of expenditures:**

At the end of November, Ending Fund Balance was \$1,204,327.34, based on amounts reported in our on-line sources. The Library Total Fund Balance was \$1,183,474.14, which is \$12,960 MORE than at the end of October. This unusual happening is due mostly to receipt of \$20,000 in grant revenue that month, and some good revenues from the Schools Project.

The Library earned \$3,957.25 interest in November, bringing the YTD total to \$33,987.53.

Penal Fines continue at levels better than we've seen in quite a while: \$8,825 for the month, bringing the total to \$82,148.05 for the year. We are now receiving the actual transmittals of the amounts from the District Court and have exceeded our budgeted revenue by more than \$12,000. Revenues in general are \$50,947 ahead of budget YTD, despite a \$9500 shortfall in tax revenue.

Expenditures: We amended our budget here near the end of the year to cover several line items we were close on. One more amendment will be needed to increase line 970 (Transfer Out) to align with what we plan to take from Penal Fine revenue total at year-end. They are already greater than budget and may go to \$86-90,000 total YTD. We should increase 970 Transfer Out to \$95,000 (from \$70,000) and balance that with an increase in 699 Appropriated Fund Balance to \$101,782. After we see the actual penal fine number in December, we can transfer that amount from 271 fund to 472.
