7. Treasurer's report / approval of expenditures:

As of the end of December, 2023, The Total Library Bank Balance was \$1,323,523.02. The Total FUND balance as was reported on the Standard Budget Report sheets was some \$27,000 less, at \$1,296,229.66. As we are aware that often entries are not up to date when that report is run, we tend to believe the Bank Balance number, because we know that is the value as of the actual ending date for the month. The December Bank balance was \$119,195.68 higher than at the end of November, thanks to yet another \$100,000 gift from the Kellogg Foundation. The amount being held in escrow prior to the finalizing of the promised \$2,000,000 gift (Michigan CLASS Pre-Grant Donations) is now \$412,162.03. We still owe \$4,190 to Huntington 471 account, but our total balance at HNB is \$76,598, so doing OK there.

We earned \$4,241.92 interest during December, for a YTD total of \$38,229.45.

Penal fines for the month of December were \$5,379, which brings total YTD to \$91,133.05, \$21,000 more than we budgeted. We should be pressing to make our transfer of non-tax penal fines balance from 271 to 472 whenever Corinna can make it happen.

Revenues apparently exceeded Expenditures YTD by \$68,000, but that is just until we do our Transfer. At that point, it will look like we will have to draw \$23,000 out of fund balance to cover it, but we know this is just transferring money from one pocket to another. Recognize also that the county is notoriously slow to finalize the closing of the books, so these numbers are subject to revision.

MOTION by MORAN to close 4Front CU CD #609 (472-790-003.353), understanding that a penalty will incur, and transfer those funds to MI CLASS New Construction 472 (472-790-003.500)
